Building Use Application Addendum

Compliance Statement (Updated May 10, 2022):

Any building use applicants must adhere to all Westbury UFSD, CDC, and NYSDOH COVID-19 safety protocols. All protocols can be found on the Westbury UFSD website:

<https://www.westburyschools.org/domain/1825>.

The Westbury UFSD is a "mask optional" school district and it is recommended that individuals are separated by at-least three feet. Prior to entering a WUFSD building, all visitors must complete a visitor screening form which will be presented by the security guard at the front desk in the lobby.
